STATEMENT ON THE COMMUTATION OF THE SENTENCE
OF FORMER ILLINOIS GOVERNOR ROD BLAGOJEVICH

As the Bishop of the Serbian Orthodox Diocese of New Gracanica-Midwestern America, headquartered in Chicago/Libertyville, I would like to thank President Trump for his Christian act of commuting the sentence of former Governor Rod Blagojevich. The former Governor was baptized and raised a Serbian Orthodox Christian, and we know and love Rod, his wife Patty and their daughters Amy and Anne. We are most happy that our brother Rod will now be in the loving embrace of his family, and for that we are grateful to God.
